UMSC Volunteerism	Through the years, I have led the Nomination Committee. I have also served on the By-Laws committee and supported the Social Committee. I also assist with Family Day, July 4th, and other UMSC events. During Float Nights, I always assist in guarding the pools. Club set-up/clean-up to open and close the club and supporting work throughout the year have been part of how I support the club.	I'm new to the UMSC, haven't had the chance to volunteer as of yet.	Helped out on Family day for the last 15 years. Also, I supply the Banner for the swim club
Community Service	Being a member and resident of Upper Moreland, I have supported many programs and events either at the Primary School where I taught for many years, or at each school/sports team (including dances, post prom) as my daughters advanced over the years. Currently, I support the Unicorn Foundation, which assists UM families in need. I sit on the UM Educational Foundation to support efforts to raise funds to support learning in UM.	I haven't had any opportunity as of yet, but I want to be very involved in this community, I moved my family here. Still learning the area.	I work with Homeland security also I volunteer behind the scenes at the swim club
Reason for Running	We have been blessed to watch our daughters grow up at the club and now serve the club through their positions at the snack stand and as a lifeguard. I am excited to see the club evolve and continue to be a place where families come together, and children can safely play and grow. It would be an honor to continue to support UMSC for the next three years.	I would like the opportunity to be more invested in my community. Being a part of the board would bring me closer to the people I live around, learn new networks and overall be a pillar in UMSC. Me and my family love UMSC, I hope to be more involved. Thanks.	My parents were charter members of UMSC. My father is one of the founder Fathers of the UMSC. My dad was on the BOD for many years. I would like the opportunity to help maintain the UMSC as one of the premium swim clubs in the area.

UMSC Volunteerism	I have helped with the Swim and Diving Teams in different capacities.	None	Board member for 21 years. Headed up the Board Planning & Improvement Committee for 14 years. On the swim team committee for 14 years. Ran the team computer, stats and meets for 14 years. A few notables: Put in a new baby pool, new playground, improved locker rooms multiple times, many behind the scene improvements that members rarely see.
Community Service	I volunteer in the primary and intermediate schools during the school year. I volunteer at the YMCA - running the kids treat trail during the Skeleton Skurry, and often other events at the YMCA. I coach the girls' lacrosse team at Upper Moreland High School.	I donate portions of my earned commissions to charities important to my clients. Volunteered at CHOP for a small amount of time. I have coached at all levels of swimming for approximately 20 years.	Continue to present at UMMS diversity day for 12 years on children with disabilities. Coached Special Olympic swimming for 8 years. Coached UMLL for 5 years. Founding member of UM boys club lacrosse, and SEPYLA league rep for 5 years. Board member on Lower Moreland Lightning swim team for 12 years. Parent school board member at St. David's for 3 years. Helped run a fund-raising booth at the June Fete for 13 years.
Reason for Running	My family enjoys coming to the pool frequently. I hope to expand the activities the kids can participate in and the family events that take place during the season. Through fundraising I would love to bring a Gaga pit to the swim club for kids and families to enjoy, along with other fun activities which the kids can utilize. I would also work to help the swim/diving team expand and grow.	My knowledge of swimming (both as an athlete and coach from the Colonial Swim Club) would be an asset to UMSC. Having held several positions at swimming clubs in my life (snack bar to lifeguard to manager) I understand what is required to run/maintain a happy "healthy" club experience.	I have had the pleasure of serving the UMSC and its members for 21 years, helping make our club a better place, and keeping the cost to attend reasonable. I am submitting for re-election to continue doing the same. I take pride in knowing that myself, and fellow board members work very hard in making the UMSC one of the nicest places in the area for families to enjoy.

Family Members	My husband of 14 years is George Hartman, III. We have one daughter, Jamison (age 11), and two sons, George "Bud" IV (age 9) and Joseph (age 7).
Occupation	Teacher aide at Queen of Angels Regional Catholic School. Former Director of Education in Health Policy at Jefferson as well as clinical research associate in both neurology and labor and delivery.
UMSC Volunteerism	Since Jamison started as a Gator in 2015, I have volunteered time as a swim parent- timing, writing at meets, working the scorers' table, chair of fundraising activities such as gear sale, Magerks dine and dash, magnet sale, Wawa sale, in charge of team gifts (chairs with team logo), and always happy to help when needed in various team events.
Community Service	I co-founded the Queen of Angels Golf Outing which is one of the two major fundraisers for our children's school (past 3 years). I play the piano at school functions and served on many committees- secret Santa, uniform sale, spring fling. I was a swim coach with St. David Tritons for 2 years. I volunteer with Dolphins Community Aquatics Association and USA swim which my kids participate in.
Reason for Running	It's simple. My kids LOVE to swim and plan to continue for years to come. Why not get more involved, myself? I feel a strong tie to UMSC, not only since becoming a member myself, but also because my husband grew up here - in fact, some of his family were founding members! I would love to help make UMSC a place to be treasured for years to come!
