## Swim Lessons

### Skill Level Differentiation:

**Beginner I-** Your child is new to the water and does not put their face in the water. Also, they will not float on their stomach or back.

**Beginner II-** Your child will put their face in the water along with being able to float on their stomach or back. In addition they have the ability for some type of arm stroke when swimming.

**Beginner III-** Your child just needs to learn breathing technique for freestyle and refine their stroke mechanics.

**Advance Beginner-** Your child will have all of the stages above from Beginner I - Beginner III.

**Intermediate** - At this level your child should try out for the UMSC swim team.

**Adult & Tot Lessons-** An adult will accompany the child in the pool to begin learning swimming

skills. This is for children who are not old enough to take direction in a class of students and need more encouragement by a parent/guardian.

**Cost Per Session:** \$35 (1st student) and \$20 (each additional student). Adult & Tot lessons are \$15 .

Lessons are 4 days/week/45 min. each, with two morning sessions available. Sign-up forms are available at the front desk or on the website [Forms link](#). Payment must be received **prior** to each session.

## Gator Grille

There's *no* better pool grille to be found! In addition to daily specials, we serve cheesesteaks, chicken cheesesteaks, pizza, french fries, mozzarella sticks, hamburgers, veggie burgers, hot dogs, soft drinks, bottled water, Herr's chips, a variety of candy, water ice, and Tanner's ice cream, too! Be sure to stop by!
