Years as a Member of UMSC	7 Years Bonded, since Dec 2013	5	28
Family Members	Wife - Lauren; Daughter - Michaela; Daughter - Victoria	Tarama- Spouse Kaelyn, Kendra, Tirzah, Grayson	Bob
Occupation	Senior Technical Support Consultant	Owner- Easton Flooring Inc	Retired Corporate Trainer and Business Owner
UMSC Volunteerism	I have always made myself available in any way I could to help the club run as smoothly as possible. Every float night I am readily accessible to help blow up floats. Every family day I offer to help time events as needed. My hope is to become an active member of the board and be as involved as possible moving forward. I have many thoughts to enhance member participation and various fundraising ideas.	None.	
Community Service	As a member of the UM Community, I've chaperoned class trips for my children. I coached spring soccer for the UMSC and volunteered time at tournaments. It's important for me to spend time getting to know neighbors and community members at these events. I actively engage in my children's activities including events outside UM. For years I've assisted in planning and running a major dance competition at the Wildwood Convention Center hosting >1200 competitors.	Volunteer to run church softball league as well as manage one of the teams. Spent 9 years on Board of Trustees of local church.	I served as Secretary and then President of a local women's organization. We were a social club as well as a non-profit raising funds for local charities through various fund raising activities. I served as Secretary of my son's Boy Scout Troop for 6 years. I was on the UM Little League Snack Stand Committee for 2 years. A few years later, I was Director of the Hatboro Little League Snack Stand for 5 years.
Reason for Running	I'd like to be considered to help the future of the club be as successful as possible. This was a trying and devastating year for everyone, and I'd like to be part of the solution moving forward. My hope is that the difficult decision whether the club can open or not, never has to be made again. I'm a team player and would love to help plan a prosperous, fun and safe future for our club.	I have owned and operated a small business for the past 16 years which has given me experience in budgeting, marketing, and management of all aspects of business.	Over the years I have been vocal to the board with both praise and criticism. Now that I am retired, I feel the time is perfect for me to step up and become part of the solution to make sure UMSC remains a safe, enjoyable place for our members families and their guests for many, many years to come.

Nominee	Maureen Bateman	Larry Van Pfeiffer	Brett Guerin

Years as a Member of UMSC	3	7	0
Family Members	Alex, Cecilia, Lizzie, Nora, Dean	Wife (Elizabeth), 5 son's (John, Luke, Lincoln, Grant, Fitzgerald)	Tasha Harrison, Foster Guerin, Kalen Guerin, Grayson Guerin, Jace Guerin, Jesus Guerin, Wynter Harrison
Occupation	Homeworker, Reed Technology	Fixed Operation Director for Toyota of Runnemede	Asset Management/Analysis
UMSC Volunteerism	I haven't. But we are extremely dedicated members who go to the pool almost every single day. I've met so many new people during our years there.	If elected to the Board of Directors, this would be my first experience volunteering at UMSC. I have volunteered in other various activities throughout the community. By serving on the Board of Directors, I plan to increase transparency and communication to the members of UMSC. Alongside the other board members, I look forward to continuing to make UMSC a fun, safe, and family environment for all current/new members.	This will be my first year at UMSC so I haven't had a chance to volunteer at the club; however, I look forward to lending a hand when and where needed.
Community Service	I volunteer in the primary and intermediate schools: in the classroom, for the school store, in the art room, for holiday parties etc.	Over the years, I volunteered in various ways for club soccer and CYO activities. These experiences not only increased my exposure with teaching and developing our youth, but also how to effectively communicate with parents and club/CYO officials.	Ever since I was a teenager, I've been involved in numerous non-profit organizations. It started with Special Olympics of Montgomery County coaching basketball, soccer, softball and swimming to special needs athletes of various ages and ability. I was heavily involved for nearly 2 decades. Over the last few years, I've been coaching for UMBC (basketball) and the WG Bears (football). I truly enjoy making a difference in helping shape today's youth for a better tomorrow.
Reason for Running	I LOVE our swim club and am eager to help it any way I can. I have a masters in communication, event planning experience due to my years as assistant director of athletic advancement at LaSalle University, and am enthusiastic and energetic.	With my current work experience and prior community service, I have acquired a broad range of skills. I currently run a department with forty employees, which includes: Managing all department finances Increasing business by using various marketing tools for new/current customers Handling customer concerns and internally communicating procedure changes With efforts to try to diversify the board members skills, my prior business experience will be beneficial during the 2021 season and beyond.	I have extensive business acumen from both a Fortune 500 and "start-up" perspective. My "start-up" viewpoint and outside the box thinking will potentially bring in new revenue streams and reduce overall club spend while maintaining the integrity of the club. My expertise in finance, accounting, asset management and financial planning will empower the club to excel while being completely transparent to its bond holders. In addition to my business knowledge, I'm also not afraid to get my hands dirty when needed. "Nothing worth having comes easy."

Nominee	Chris Ellis	Lisa McDermott	Kim Frantz

Years as a Member of UMSC	5	5+	6
Family Members	Wife (Diane), son	Fiancée Mike McNally, stepdaughter Samantha McNally (7), daughter Alexis McDermott (16) and son Frankie McDermott (13)	Mark, Justine, and Madelyn
Occupation	Senior Communications Manager	Human Resources Business Partner	Upper Moreland Health and Physical Education Teacher
UMSC Volunteerism	During the time my son was on the swim team, I was a parent volunteer including announcing and timing.	I have not to date.	In the past I have helped with the swim and diving team in different capacities from helping with set-up clean up for meets, helped coach occasionally, served as a timer at swim meets, and helped at the score table for the diving team. I also co-chaired the swim team banquet for 2 years prior to this year.
Community Service	Currently, I'm a member of the Upper Moreland Educational Foundation and an elder at Abington Presbyterian Church. Previously, I managed the website for my son's Cub Scout pack, and was a coach for an indoor soccer team he played on.	As a mother I have volunteered as a coach and team mom on several occasions within the UM community as well as assisting in snack stands and fundraising for various teams my kids have participated on. As a professional I have coordinated charitable events including food and clothing drives, Adopt a Family, blood drives, Red Cross initiatives etc...	I help to coach many different recreational sports teams within the community. I help run the UMMatter Den - a food pantry at the high school for our community. Last year I ran a food drive at the swim club to help get food for the UMMatter Den. As a teacher in the community I often volunteer for activities and events that happen at night and after school. I also coach the high school girls lacrosse team.
Reason for Running	I've spent my career in the communications field with more than 20 years of experience, including internal (employee) and external (press) communications, and even a number of years working on advertising, marketing and branding. Bringing that experience to UMSC, I can help the club be prepared for the next chapter, welcoming families back and building a foundation that will keep this resource vibrant for the next generation of Upper Moreland families.	I have no agenda other than to help keep the swim club successful and come up with some innovative ideas to assist with fund raising and peak some more adult interest. There's a time when kids get older and members drop due to that. Why not keep members coming longer term? I saw a lot of displeasure in the community around this season's struggles with not opening. I didn't want to just have opinions without trying to help.	I absolutely love the swim club. I want people to feel connected to the swim club by creating a family friendly atmosphere and community. I believe that starts with more family activities and events for all ages that happen throughout the summer. I will work hard to make these events a reality and help bring even more summer memories to our membership.

Nominee	Charles B. Conroy	Will Rogers	Alice Creswick
Photo			
Years as a Member of UMSC	12+	This would have been the 4th year	33 years
Family Members	Betty Jane, Thomas, Nicholas, Haley	Kristin Rogers (wife), Owen Rogers (8), Brynn Rogers (8)	Husband- Bill Creswick, Children - Bill, Michelle, Tim, Michelle's fiancé and Matthew and his wife Kristie! 5 grandchildren Christian, Olivia, Ryan, Reagan and Logan
Occupation	Business and Financial Forensics	Journey Manager for xfinity.com	This year will be my 7th year at Upper Moreland middle school! I'm an assistant in the life skills class.
UMSC Volunteerism	Various aspects of the swim team	No volunteer experience at UMSC however was hopeful that had the club opened my kids would have joined the Gators and I would have had the opportunity to help out there.	I have been the activity chairperson, (4th of July games, float night, ice cream socials) timer at home and away swim meets!
Community Service	Volunteer at parish functions, Treasurer for Home and School Association, Basketball coach	Helped to plan the service days for my company team during our Comcast Cares event.	9 yrs president of UM Booster club, 16 yrs president of Upper Moreland Alumni, 20 yrs member of Kiwanis Club of Old York Road, 15 yrs Volunteer Camp counselor for the Ronald camp! 10 yrs member of the board UMSC!
Reason for Running	Senior level experience in business and financial operations as Sr. V.P. of Finance and Administration for a medical device company as well as diversified experience in the field of business and financial forensics as a special agent for the United States Treasury. Also served as Board of Director and chair of the finance and audit committees for same medical device company. I propose that UMSC Board of Directors would benefit from my proven sound judgement and wisdom. linkedin.com/in/cbconroy	I can be found at UMSC from about noon until close every weekend so I'm a constant fixture at the swim club with my family. I have the pleasure of working in an industry where my job is to figure out how to make xfinity.com customers experiences as good as possible which I feel will translate well to ensuring our members experiences at the club are top notch and make UMSC a destination people want to join.	Upper Moreland Swim Club has always been a very important part of my family's life! I want to keep our swim club a family safe and enjoyable place for all our members!
